European Union is made of citizens and for its citizens!

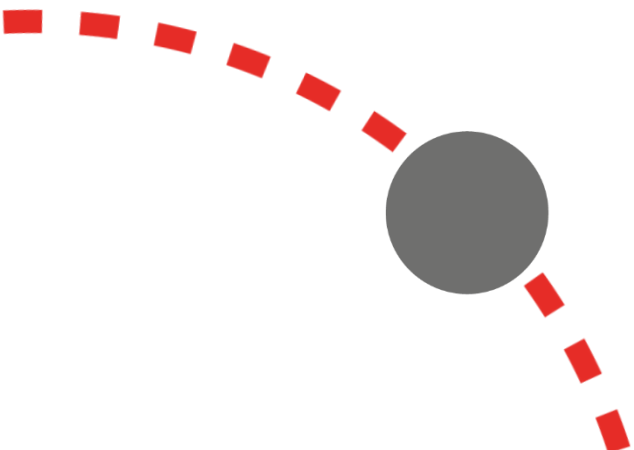

... bringing the Union closer to its citizens and fostering greater cross-border debate about Union policy issues.

...an important instrument aimed at getting the Union's 500 million inhabitants to play a greater part in the development of the Union.

...encouraging the engagement of European citizens in all aspects of the life of their community, thus enabling them to participate in the construction of an ever closer Europe.

Good practice examples

1. Grad Klanjec- ["EU future - Doing it together!,"](#) 2.1. town twinning

- Debating the future of EU (discussion about 5 scenarios),
- Conclusions will be forwarded to Europarlamentarian. (EU level).

2. Europski dom Slavonski brod- [Clicking With Voters-](#) 2.3. Civil Society projects

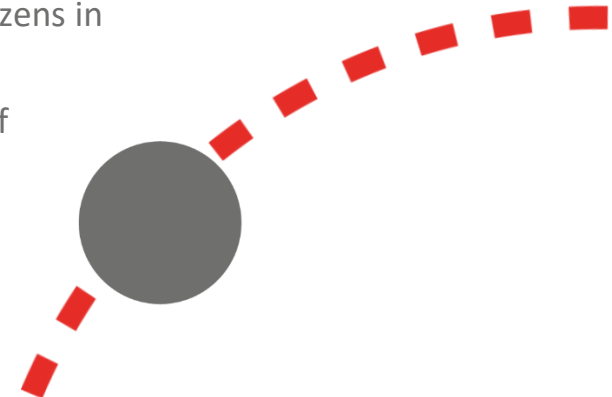

- Encourage EU citizens to make their voice count by voting in the 2019 European elections,
- Build the capacity of young people to participate actively in the democratic life of Europe and counter the challenges of Euroscepticism
- Give voice to citizens by involving them in debate on forward-looking initiatives for the future of Europe, on what they perceive to be the urgent issues relevant to the development of Europe post 2019.

3. Grad Klanjec- [„EUlife - Citizens for Stronger Europe”](#) 2.1. Town twinning

- Understanding Euroscepticism,
- Debating future of EU, learning about possibilities that EU offers to their citizens,
- Promotion of volunteering, enhancement of local community's participation in EU life.

4. LAG Središnja Istra- [European Network for the Cohesion and Solidarity in Rural areas \(ENSURE\)](#)- partner, 2.2. Network of towns

- increase the relevance of local and European policy makers as actors developing initiatives that address needs of rural citizens in the context of EU policies, European citizenship and democracy tools.
- addresses day-to-day issues which are prevalent for rural citizens: heritage vs. local development, cross-border mobility of agricultural workers, food security, social exclusion.
